

FINDLEY CUB SCOUTS PACK 718

<http://www.pack718.com>
pack718cc@gmail.com

**A Scout is Trustworthy, Loyal, Helpful, Friendly, Courteous, Kind, Obedient, Cheerful, Thrifty, Brave, Clean and Reverent
Prepared. For Life.**

Findley Elementary Cub Scouts

We are the Cub Scout Pack for Findley Elementary School, but our membership is not limited to Findley students and anyone in the local neighborhood is welcome to join. We have a fantastic group of kids and parents who participate in Scouting activities every month. Cub Scouts offer a unique experience that is hard to find anywhere else. Boys learn new skills through age appropriate hands-on activities and build character and leadership thru den and pack level opportunities. Get to know more about the people and places in your community through field trips and special outings. Take part in activities specially designed for Cub Scouts like summer camps!

“Scouting helps build self-esteem, team-work, and teaches the boys - all while having fun.” - Cub Scout Mom

Time Well Spent

More than any other youth program available today, Cub Scouting supports parent and son relationships in ways that result in lasting memories of time well spent together. As a parent you get to guide your son thru several Scout program experiences:

- Work on projects together
- Go places together
- Talk together

One example is camping at Scout overnight and day camp opportunities which introduce your son to the camping experience and Scout themed activities and skills. Another is sharing fun experiences that you might not otherwise have done on your own.

Scouts Work and Play Together

The boys work together, play together, challenge one another, and encourage one another. Parents indicate that social skills their boys learn through Cub Scouting include:

- How to get along with and treat others
- How to respect others' feelings
- How to work together as a team

This can all lead to great camaraderie and scouts being able to make lifelong friendships!

3 major highlights we have each year are activity packed Scout summer camps, our annual Pinewood Derby where your son can build and race a model car, and our pack Rocket Launch!

How Does Cub Scouting Work?

Cub Scouting takes place at two levels. Your son will be a part of a den, a small group of boys in the same grade level who meet at least monthly. Individually and as a den, your boy works thru various achievements to earn each rank. Your den leader will show you how all this works. Den Rank Levels:

- Lion Den (Kindergarten)
- Tiger Cub Den (Grade 1)
- Wolf Cub Scout Den (Grade 2)
- Bear Cub Scout Den (Grade 3)
- Webelos I Scout Den (Grade 4)
- Webelos II Scout Den (Grade 5)

After Webelos II, Scouts, upon completing their requirements, will receive the Arrow of Light and may choose to join a local Boy Scout troop.

All dens, from grades K through 5, make up a pack. Once a month, the dens are together at the pack meeting. Boys are recognized for accomplishments, show some spirit and have some fun with an engaging activity or guest.

Cub Scouts is a completely volunteer run program so parent participation is necessary to make the pack run smoothly. Opportunities range from leadership to organizing an activity for your boy's den and everything in between.

Community Service

Part of Cub Scouts is being involved in your community and Pack 718 has a number of activities that we do for charities, our school, and the community.

SCOUTS = FRIENDS, FUN, LEARNING, SERVICE
